

# Student Science Conference IGA 2023

In accordance with the Rector's Directive No. 29/2023, I announce the Student Scientific Conference of the Centre of Polymer Systems hereinafter referred to as "SVK") for the year 2023.

The guarantor of the competition is. Ing. et Ing. Ivo Kuřitka, Ph.D. et Ph.D.

Competition rules:

- Students of doctoral and subsequent master's study programs who are members of the solving teams of IGA/CPS projects solved in 2023 can participate in the competition.
- Participation in the competition is not mandatory.
- Each participant can be a member of a maximum of one competitive team.
- Only one team can compete for each IGA/CPS project addressed in 2023.
- Applications for the competition are sent by email to the address: [sedlackova@utb.cz](mailto:sedlackova@utb.cz). The application has to include the number of the relevant IGA project, the name of the research group, the name list of competing students, the student number in the STAG database and the identification of the form of study (doctoral, subsequent master's). "SVK 2023" will be mentioned in the subject of the email. Applications are accepted until November 30, 2023.
- Každý soutěžní tým formou přednášky doprovázené prezentací v PowerPointu (nebo obdobném prezentačním softwaru) představí podstatu řešeného projektu IGA, doposud dosažené výsledky a jejich perspektivy pro další výzkum či aplikace. **Termín prezentace 5. 12. 2023 od 9:00.**
- Expected time range of the presentation competition is a maximum of 15 minutes.
- Presentations must be in English.
- All members of the competition teams must actively participate in the competition (including their own presentation).
- Each of the contestants will be paid a one-time scholarship in the amount of:  
Students of doctoral study programs: **3000 CZK**  
Students of subsequent master's study programs: **1500 CZK**
- Students who joined the IGA project solution after September 1, 2023 and actively participate in SVK are entitled to a one-time scholarship in the amount of 30 % of the above amounts.
- The evaluation of competitive performances will be ensured by an expert jury composed of members of the IGA CPS Evaluation Commission and the director of CPS.
- The first three teams according to the ranking of the expert jury and any other excellent results will be awarded by the director of CPS in the form of an extraordinary scholarship from the funds of SVK IGA 2023.

November 9, 2023, In Zlín

prof. Ing. Vladimír Sedlařík, Ph.D., m. p.

Director of the Centre of Polymer Systems
