

**Call for Proposals – Centre for Polymer Systems Development Projects
2024–2028 (CPS 24+ DP)**

This is an invitation to submit Centre for Polymer Systems Internal Development Projects in basic and applied research.

Project management period: 1 June 2024 to 31 December 2028

Thematic focus:

CPS 24+ DP projects may be submitted in one of the following fields:

- Polymer Processing
- Rubber Technologies
- Nanomaterials and Advanced Technologies
- Biomaterials
- Environmental Technologies
- Energy & Composite Materials

Emphasis will be placed on objectives related to Sustainable Development Goals.

The project proposal must be approved by the guarantor of the research direction before submission.

The draft budget must be consulted and approved by the UNI economist.

Call objectives:

- Enhance the quality and quantity of R&D outputs of excellence
- Develop and enhance the professional competencies of staff
- Boost national and international cooperation in primary & industrial research and experimental development
- Develop staff capacity and scientific careers

The deadline for submitting project applications is 21 April 2024; please submit your applications to cps@utb.cz using the “24+ DP Project Application Form”.
